

President's Circle

Dear Colleague:

The Harbor City/Harbor Gateway Chamber of Commerce invites you to join a select group of members that receive unique membership benefits and special recognition. Members of our President's Circle are committed to helping the chamber fulfill its mission of service to business, community and government. Your organization's investment in the President's Circle signals your leadership role in improving the Harbor City/Harbor Gateway community as a great place to work, live and play.

Membership in the President's Circle is annual and available at several levels of support:

Platinum	\$5,000
Gold	\$3,000
Silver	\$2,000
Bronze	\$1,000
Community	\$500

Throughout the year the chamber holds numerous monthly and special events. The chamber also hosts its own website and publishes the *Weekly E-blast* newsletter.

The pages following describe the sponsorship levels for each chamber event. Sponsorships for our four major events range from \$500 to \$2,000. Additional sponsorships range from \$20 to \$500. All of the selections are conveniently listed on one page included in the President's Circle packet.

As a President's Circle member, you decide how you wish to allocate your membership investment dollars. Investing in the Platinum Level provides you with the broadest range of recognition. You may choose to apply that investment to your membership dues then apply the remainder of your investment dollars to various levels of our major quarterly events, and/or any of the opportunities listed under Additional Sponsorship Investments.

Once you have "spent" your investment dollars, you will begin reaping the benefits specific to the sponsorship level selected for each event. More than this, every President's Circle member is recognized at every chamber event on our President's Circle banner, your organization's logo appears on the chamber's website and you receive special recognition in the *Weekly E-blast*.

A single yearly check for a President's Circle membership provides your organization the unique opportunity to support the chamber while furthering your specific interests, thus becoming an integral part of a healthy, thriving business community.

We look forward to partnering with you as a President's Circle member.

Sincerely,

Sincerely,

Joeann Valle

2nd Quarter Event..... Tribute to Youth Event

It has long been recognized that positive reinforcement helps to generate positive behavior. The Harbor City/Harbor Gateway Chamber of Commerce created a program in collaboration with the Los Angeles Unified School District (LAUSD) that recognizes a positive change of attitude and behavior of students who are at a crossroads and have made a conscious decision to change their behavior or attitude. It is the hope that this recognition will reinforce their behavior and will be the foundation for future successful accomplishments.

A formula sets guidelines that are used in tandem with faculty recommendations to identify one student from each of the schools in the Harbor City/Harbor Gateway area. We will honor the students who have overcome educational, personal and/or family challenges in order to continue on or return to a constructive path. Some examples include, but are not limited to, the following set of criteria: Attitude, Progress, Attendance, Work Habits and Citizenship.

3rd Quarter Event..... Tribute to our First Responders

A tribute to Los Angeles Police Officers, Los Angeles Port Police, LAX Police, Los Angeles Firefighters and the Crisis Response Team who are first responders. These dedicated individuals constantly put their lives in danger when the lives of others are in jeopardy.

First responders are a critical part of our country when disaster strikes. It can be a hurricane, tornado, explosion, fire, flood or any disaster which creates a need for an immediate response. It is not always easy for them to leave their families, especially when they go to areas where their lives may be in danger to save others. We applaud the dedicated efforts of those that meet the needs of those in peril when disaster strikes.
